Mayor Davis read the agenda comments. Mr. Putens introduced the resolution for first reading.

Mr. McLaughlin said that New World Systems appears to be the vendor of choice for the City of Hyattsville for their Computer Aided Dispatch/Records Management System (CAD/RMS). He mentioned the benefits of the City, the University of Maryland and the City of Hyattsville, going with the same system. Mr. McLaughlin thanked Dale Worley and Officer Dewey who had been very instrumental in determining the best CAD/RMS system and vendor for this purchase.

Ms. Mach noted the warranty on the CAD/RMS system was only for one year and asked how future year warranty costs would be covered. Mr. McLaughlin said additional warranty year costs would be included in future budgets.

A Resolution to Amend Resolution 1050, A Resolution to Purchase Certain Goods and Services from Various Vendors as Enumerated Herein When Total Fiscal Year Purchases from Each Vendor Exceed Ten Thousand Dollars (\$10,000)

Mayor Davis read the agenda comments. Ms. Mach introduced the resolution for first reading.

Ms. Mach asked when the call boxes in Greenbelt West would be installed. Mr. McLaughlin said the project is expected to begin in the spring, after the pilot program for street lights in the area has been established. Ms. Mach also asked about the status of the compressed natural gas fueling station at the Public Works facility. Mr. McLaughlin explained that the station can refuel City vehicles on a staggered schedule. He added that when the station requires repair, it can be out of service for several days since the sole vendor for repairs is located out of the area. Mr. Roberts expressed frustration that resources were not available to support compressed natural gas vehicles and stations.

Report from City Solicitor on Whether a Violation of the Open Meetings Act Occurred: Mayor Davis read the agenda comments.

Mr. Orleans, Greenbelt, asked why the issue was not referred to the State Open Meetings Compliance Board for a decision. Mr. Manzi provided an overview of his complete report on the issue that was submitted at the August 11 meeting which stated no violation of either the State Open Meetings Act or the City Charter had occurred. He said that if he had found any evidence of a violation of the State Open Meetings Act, he would have advised the City to refer the issue to the State Open Meetings Compliance Board.

Mr. Roberts stated Mr. Manzi's report did not take into account the action of having legal counsel prepare a statement that was taken without a meeting of Council. He further stated that since Mr. Manzi was involved in the action, he shouldn't have been involved in the investigation. Mr. Roberts suggested the issue be referred to the State Board to determine if a violation had occurred.

Mayor Davis asked if the Board would look at the issue. Mr. Manzi said any individual can request the Board investigate the issue and suggested Mr. Roberts contact them. Mayor Davis advised Mr. Roberts that it was his right and responsibility to contact the Board if he felt that a violation had occurred. Mr. Roberts said that he was very busy at this time and suggested that a citizen may choose to notify the Board.

There was considerable discussion regarding the drafting of the statement made by Mayor Davis at the June 8, 2009 meeting to defer the decision on whether to change the election date to the next council, and to focus on the goal of increasing voter turnout. Mayor Davis, Mr. Putens, Ms. Mach and Mr. Herling all emphasized there had been no violation of the State Open Meetings Act or City Code. They stated that if anyone felt there was a violation, they should report it to the State Board.

Mr. Roberts said he believed Mr. Silvestri had provided Council with poor advice regarding changing the election date, the drafting of the statement in question, and on the police collective

bargaining. He also said he didn't like the way Mr. Silvestri treated certain members of Council. Mayor Davis emphasized that this was Mr. Roberts' opinion only.

Ms. Lewis, 2-C Gardenway, said that she found the current bickering between Mr. Roberts and other members of Council very embarrassing. She noted that Mr. Manzi had provided his legal opinion on the matter, as requested by Council, and all members should accept the report and move on. Ms. Lewis commented that more time had been spent on the issue than was necessary and it should not continue any longer.

Mr. Orleans, Greenbelt, said he would write a letter to the State Open Meetings Compliance Board requesting them to review the issue of whether a violation of the Open Meetings Act occurred.

MEETINGS: Council reviewed the meeting schedule.

ADJOURNMENT: A motion to adjourn the regular meeting was made by Ms. Mach and seconded by Mr. Putens. The motion passed 5-0.

Mayor Davis adjourned the regular meeting of Tuesday, September 29, 2009, at 9:38 p.m.

Respectfully submitted,
