RESOLUTION NUMBER 1094

A RESOLUTION TO NEGOTIATE THE PURCHASE OF A TYMCO 600 SWEEPER BODY
FROM MID-ATLANTIC WASTE SYSTEMS, AT A COST OF \$112,280

WHEREAS, the Four Cities Coalition agrees that the existing Schwarze A400 street sweeper is not large enough to provide the quality of street cleaning required by all the Cities and has become unreliable and costly to maintain; and

WHEREAS, the Four Cities Coalition has researched and obtained proposals for various types of sweeper bodies to be installed on the existing 2000 Freightliner cab and chassis and concluded installing a new Tymco 600 sweeper body is the most cost effective; and

WHEREAS, the Four Cities Coalition have agreed that each City will pay \$28,070 (25%) of the cost of the new sweeper body. NOW, THEREFORE,

BE IT RESOLVED by the Council of the City of Greenbelt, Maryland, that the City Manager be authorized to negotiate the purchase of a new Tymco 600 sweeper body from Mid-Atlantic Waste Systems at a cost of \$112,280.

BE IT FURTHER RESOLVED that this resolution shall take effect immediately upon passage.

PASSED by the Council of the City of Greenbelt, Maryland, at its regular meeting of August 13, 2012.

Judith F. Davis, Mayor
