RESOLUTION NUMBER 2006

A RESOLUTION TO AUTHORIZE THE NEGOTIATED PURCHASE OF A MOBILE TAG READER WITH INSTALLATION FROM ELSAG NORTH AMERICA IN THE AMOUNT OF \$18,150

WHEREAS, in the City of Greenbelt Budget for Fiscal Year 2013 funding was included for the purchase of a mobile tag reader for use by Parking Enforcement; and

WHEREAS, a proposal was received from ELSAG North America in the amount of \$18,150 for the purchase, installation and license of a MPH-900 mobile tag reader; and

WHEREAS, ELSAG North America is the preeminent manufacturer and distributor of mobile tag readers; and

WHEREAS, the Greenbelt Police Department has previously purchased the ELSAG MPH-900 and has excellent experience with the operation of this unit; and

WHEREAS, use of the mobile tag reader by Greenbelt Parking Enforcement is expected to expand and enhance the effectiveness of the city's parking enforcement efforts. NOW, THEREFORE,

BE IT RESOLVED by the Council of the City of Greenbelt, Maryland, that the City Manager be and hereby is authorized to purchase an MPH-900 MS2 Two Camera Mini Split mobile tag reader at a total cost of \$18,150, to include installation and license, from ELSAG North America;

PASSED by the Council of the City of Greenbelt, Maryland, at its regular meeting of October 28, 2013.

Judith F. Davis, Mayor
