RESOLUTION NUMBER 956

A RESOLUTION TO NEGOTIATE THE PURCHASE AND INSTALLATION OF  
NOVACHIP ASPHALT PAVING FROM THE GORMAN GROUP OF QUAKERTOWN,  
PENNSYLVANIA

---

WHEREAS, the City desires to use an asphalt paving material known as NovaChip to resurface certain City streets including all of Lastner Lane and portions of Lakeside Drive, Northway, Ora Glen Drive, and Ridge Road; and

WHEREAS, there are only two vendors in the Mid-Atlantic region who perform street resurfacing using this material, which makes it impractical to use a competitive bid process; and

WHEREAS, of these two firms, the Gorman Group of Quakertown, Pennsylvania, was able to provide a more favorable price of \$4.21 per square yard, for an estimated total cost of \$160,116 in street work; NOW THEREFORE,

BE IT RESOLVED by the Council of the City of Greenbelt, Maryland, that the City Manager be authorized to contract with the Gorman Group of Quakertown, Pennsylvania, to purchase and install NovaChip asphalt paving at a cost of \$4.21 per square yard, for an estimated total cost of \$160,116.

PASSED by the Council of the City of Greenbelt, Maryland, at its Regular Meeting of March 10, 2003.
