1. Meeting called to order at 7:37pm PRAB by Betty Sonneveldt
2. Michael Lee made a motion to approve November Minutes with said amendments; Les seconded the motion; the November 2017 approved 5-0.
3. Department Updates – Julie McHale
  - a. New Logo was approved unanimously by Council on Monday 12/11/17. Director shared the new logo with those present and spoke about the guidelines and templates which are currently being created by LMD Agency. Members were happy with the logo.
  - b. Success of Festival of Lights activities
4. Brief discussion took place on PRAB receiving a new Council Representative. It was concluded that the Mayor has other obligations (due to his position as Mayor) and is continuously missing the PRAB meeting due to conflicts. PRAB feels that it is important to have a Council representative and is requesting another Council member. Director will bring up this concern to City Manager prior to the January meeting.
5. Meeting Adjourned at 8:50pm

Respectfully Submitted By Julie McHale
