## City Manager's Report Week Ending September 25, 2015

1. At this time, I am not planning on attending the MML conference. David is registered and will attend, if that is ok. The legislative items have been all but decided based on past years and with the election the following week, staying in Greenbelt to assist the City Clerk and handle anything that might come up seems like the thing to do. If you think it is important that I be at the MML conference, let me know and we can make that happen.
2. David and I will be out of the office next week at our national convention. Celia Craze will be Acting City Manager.
3. Attended meeting at County with Mayor Jordan and Council member Herling on School Resource Officer funding. Met with Deputy Chief Administrative Officers Thomas Himler and Barry Stanton and Municipal Liaison Bea Tignor. They have also met with representatives from Bowie and Hyattsville and will be reporting back to the County Executive. We also met with County Council member Todd Turner. A detailed email summary was sent on September 22, 2015.
4. The Prince George's Delegation deadline for sponsor approval of Local and Bi-County legislation for 2016 is October 29 and a public hearing will be held on November 16. Local bills affect only Prince George's County (school system, liquor licenses, etc.) and Bi-County bills are usually M-NCCPC or WSSC. Staff is unaware of proposals for submission. This item will be placed on the October 19 Regular Meeting agenda.
5. Followed up with SHA on items from the 9/21/15 work session.
6. Finalized invite letter and invitee list for October 14 Business Networking Coffee. Jim Coleman, CEO of County Economic Development Corporation, and Stuart Eisenberg of Hyattsville Community Development Corporation will be featured attendees.
7. Along with City Clerk, prepared agenda and background materials for Council meeting.
8. Assistant City Manager
  - a. Began drafting the 2015 Community Questionnaire and emailed draft document to Council and key staff for review and input.
  - b. Finished a set of CRAB minutes.
  - c. Researched history on campaign finance requirement.
9. Finance Department
  - a. Prepared and submitted annual report for State Aid for Police Protection grant.
  - b. Reviewed GASB 68 literature to facilitate implementation in FY2015 CAFR.
  - c. Continued training for Finance and Departmental staff to use new Finance System.

10. Information Technology

- a. Attended I-Net Executive Committee Mtg – Largo
- b. Assisted PW Intern with sharing tree and bench maps
- c. Began deployment of new PCs

11. Prepared for regular meeting of September 28 and work sessions of September 21, 23 and 30.

cc: Department Heads  
David Moran, Assistant City Manager  
Cindy Murray, City Clerk  
Mary Johnson, Human Resources Officer  
John Shay, City Solicitor
