## City Manager's Report Week Ending October 11, 2019

1. WSSC emergency water line repair work near the intersection of Belle Pointe and American Legion Drive is anticipated to take a few weeks. An access road through WSSC's easement is being used. Mr. Sterling has reported that WSSC removed trees with the American Legion's approval.
2. Met with the Director of U.S.D.A. Beltsville Agricultural Research Center (BARC), Planning Director Terri Hruby, and Chief Richard Bowers. BARC staff confirmed that the Federal Bureau of Engraving project to be located at BARC has already been approved. For funding and land transfer. The U.S. Treasury Department obtained full funding. The environmental review process is underway. Preliminary Traffic Study information may be available later this Fall. Additional information should be ready in December. BARC officials will facilitate a December briefing with Treasury and Council. A community meeting was held two weeks ago. .
3. BARC has significant infrastructure needs, from road repair and maintenance, to building renovation, to upgrading BARC's wastewater plant. An estimate of needed funding, particularly for the wastewater plant upgrade has been requested. Council consideration to include advocacy for Federal funding to address BARC infrastructure needs is recommended. BARC maintained roads and infrastructure impact Greenbelt residents working and driving through the area, as well as the local watershed.
4. BARC is awaiting Congressional funding to perform needed renovations to several buildings (Buildings #2, 3, 5, and 308). BARC officials shared that the Center received approval from Maryland historic preservation officials to demolish 24 buildings. This is a small number of the many empty and dilapidated structures in need of attention.
5. BARC officials confirmed that the Center has an effort to study and physically treat deer for ticks.
6. Conducted interviews for the City Treasurer position.
7. Ms. Terri Hruby, Planning Director, confirmed that the aerator was ordered for Greenbelt Lake. Residents and visitors should continue to expect the water level to be lowered during the project.
8. Approved two additional police hires. These new hires will work as cadets before heading to the next academy class.
9. In discussion with Crowne Plaza management, with the exception of 38 rooms, the guest room renovations are almost complete; renovation construction will stop soon and restart in December. This will allow the hotel to function for the remainder of the season without interruption to the guests (as lobby work will be next, followed by the restaurant, etc.). There is a new general contractor. Otherwise, the property received high guest ratings during the first quarter during renovation. I will follow-up with the other hotel managers who shared that changes were anticipated and/or underway at their properties also.
10. Attended a Council work session closed session, Strong Towns presentation, the Rotary Club and Greenbelt East Community meetings.

11. Attached is the Police Department Statistical Report for July 2019.
12. Attached are Green Ridge House Resident Association meeting minutes for August and October.
13. Also attached is the updated FY 2020 Program Open Space annual program.
14. Assistant City Manager
  - a. Prepared agenda comments and background materials.
  - b. Staffed a CRAB meeting.
  - c. Served on the interview panel for the City Treasurer position.
15. City Treasurer
  - a. Prepared for and participated in the interview process for the position of City Treasurer.
  - b. Began review of September 2019 financial activity.
  - c. Filed the FY 2019 Highway User Revenue report with the State.
16. Information Technology
  - a. Attended Everbridge Mid-Atlantic Users Group meeting in Crystal City.
  - b. Met with CTC re: Small Cell application process.
  - c. Deployed timeclocks for ExecuTime testing.
17. Economic Development
  - a. Business & Community Engagement
    - Meetings:
      - Social enterprise business.
  - b. Events & Trainings
    - Attended Strong Towns presentation.
    - Toured sheet metal manufacturing company to learn about apprenticeship program.
  - c. Economic Development Admin
    - Working with staff to coordinate on initiatives that span across the community.
    - Ongoing weekly outreach to Greenbelt business community.

cc: Department Heads  
David Moran, Assistant City Manager  
Mary Johnson, Human Resources Officer  
Bonita Anderson, City Clerk

## GREEN RIDGE HOUSE RESIDENT ASSOCIATION MEETING

Tuesday, August 06, 2019

Meeting called to order at 7:05 p.m. Attendance: 16 residents

Minutes from July RA and Management meetings were read and approved. As noted in the minutes, books are being collected for the Labor Day Festival book sale to benefit Greenbelt Elementary School. Donated books should be placed in the box located in the main lobby close to the elevators. That is a change from the information in the RA meeting minutes, which said books would be gathered in the library/lounge. The deadline for collecting books is Aug. 15. Another change from the July minutes is there is still no specified time for the PG County Library System to start picking up old, used library books at GRH and dropping off newer books from the PG Library System.

There was a clarification about the higher cost of trips, which is the reason trips to Toby's Dinner Theater or the Potomac River Cruise are not planned as part of the social activities/events. Since some residents who want to go on the trips use wheelchairs or scooters, the rental cost of buses equipped for persons with disabilities is much higher now. To cover the additional cost for a future trip, an additional \$2,000 or \$3,000 has been requested for the RA budget.

A resident asked if there is any window cleaning such as has been done in the past. Other residents said they have had windows cleaned while others said they didn't know about it.

Upcoming social activities for residents include bus trip to Arundel Mills and Live Casino Aug. 23, Halloween Costume Party Oct. 31, Christmas Holiday Party Dec. 20, and New Year's Eve Party Dec. 31. Guests are welcome on the trip to the shopping mall and casino, but they must pay the cost of the bus ride. Anyone with a casino rewards card should receive \$20 when they arrive.

The birthday for Theresa Powell was celebrated with singing of the Happy Birthday song. Drawing for 50-50 prize of \$10 was won by Glenda Banks and Don Rich won the door prize, \$10 roll of quarters.

Meeting adjourned at 7:35 p.m. Next meeting is Tuesday, Sept. 3.

Respectfully submitted,  
Don Rich, Secretary

## GREEN RIDGE HOUSE RESIDENT ASSOCIATION MEETING

Tuesday, October 01, 2019

Meeting called to order at 7:05 p.m. Attendance: 16 residents

Minutes of September RA meeting were read and approved. In a brief report from her meeting with management, President Marvel Brown said work to upgrade the elevator has been completed and state inspection scheduled for Oct. 16 is needed before the elevator can be used.

Three residents presented a birthday card and \$100 to Marge Markowich to celebrate her 100<sup>th</sup> birthday. Katherine Fowler reviewed and led discussions on social activities for residents, which include the Halloween Costume Party Oct. 31, Christmas Holiday Party Dec. 20, and New Years Eve Party Dec. 31. Anyone attending the costume party is urged to wear a Halloween costume and perhaps prizes can be given for the best costumes. Buffet meals will be served at the parties for Christmas and New Year's Eve. Meeting attendees were asked whether a band or a DJ should provide music for New Year's Eve. A vote was taken and most in attendance wanted the DJ. A number of other activities have been suggested and they will be considered. They include a spring fashion show that residents can participate in, a "sock hop" that would give residents a chance to dance and enjoy some good music, and jewelry making classes. The following trips and visits were suggested: Martin Luther King Memorial in DC, Pennsylvania Dutch country, Harriet Tubman Underground Railroad Museum, and National Harbor. A trip to Toby's Dinner Theater should be possible as soon as arrangements can be made.

One idea brought up by Katherine Fowler is forming a welcome group that would visit new residents to help them get acquainted with RA and what goes on at Green Ridge House. According to Katherine, new residents may feel lonely and isolated so it is important to let them know they are welcome and they can get to know their new neighbors in some way. Perhaps also a card and bag of some little gifts could be given out. Another proposal was to invite a community organization called Sister Circle to GRH. This group offers uplifting and comforting support for women.

Peggy Byrd won \$9.50 in the 50-50 drawing and Catherine Burroughs won the \$10 door prize. Meeting adjourned at 7:45 p.m. Next meeting is Tuesday, Nov. 5.

Respectfully submitted,  
Don Rich, Secretary

**Subject:** POS Annual Program

Nicole,  
The City was recently informed by Department of Natural Resources Program Open Space administrators that our proposed Braden Field Tennis Court project is not eligible to receive POS funding since it hasn't been more than 20 years since POS funds have been used to improve the courts. The State/County has requested we revise our annual program to omit the Braden Tennis Court project.

In consultation with David, Greg and Joe I have reallocated the POS monies (\$22,500) from the Braden Tennis Court projects to the other two development projects we had in our submitted POS allocation. The Lakecrest Tennis Court project can remain in our program since it has been 20+ years since we used POS funds on these courts.

Thank You,  
Terri

**CITY OF GREENBELT  
PROGRAM OPEN SPACE  
FY 2020 ANNUAL PROGRAM  
(Revised 10/9/19)**

**Justification & Narrative Description of Projects**

The following materials are intended to clarify the City of Greenbelt's submission for the FY 2020 Program Open Space (POS) Annual Program. The City's FY 2020 Annual Program includes three development projects and one land acquisition project.

**Status of FY 2019 POS Annual Program & Encumbered Projects**

The City's FY 2019 POS Annual Program submission consisted of one development project and one acquisition project. The City's FY 2019 development project, *Buddy Attick Park Master Plan Improvements*, is currently awaiting County permit approval. The City anticipates soliciting bids from eligible contractors this summer and for construction to begin in the fall of 2019.

The acquisition project, *Greenbelt Parkland Acquisition*, remains on hold as no acquisition projects have presented themselves to the City. If an opportunity arises the City will revise its annual program to be more site specific.

The City did complete a number of POS projects in FY 2019 including the following: *Community Center Facility Upgrades*, *Greenbelt Aquatic and Fitness Center Upgrades Phase IV* and the *Community Center Playground Renovation* project. The City has an additional project, *Greenbelt Aquatic and Fitness Center Upgrades Phase II*, that has received Board of Public Works approval but that project is currently on hold.

**Justification for FY 2020 Projects**

The City is strongly committed to protecting diminishing open space resources and providing quality recreational facility for its residents. The City's philosophy and policy commitment to this goal are set forth in the City's adopted goals action plan. This goals action plan includes an open space component, which defines a broad goal "to protect and increase Greenbelt's open space," and then spells out 12 objectives to achieve this goal.

The following is a brief description of and justification for the City's three proposed projects:

***Buddy Attick Park Master Plan Improvements (D-G1)***: In 1992, the Greenbelt City Council adopted the Buddy Attick Park Master Plan. The 90+ acre park provides a wide variety of recreational opportunities to the City's residents, as well as visitors from around the Washington Metropolitan region. This project involves implementing certain recommendations of the Master Plan including implementing "green" parking lot

**PROGRAM OPEN SPACE  
FY 2020 ANNUAL PROGRAM**

**Justification & Narrative Description of Projects (continued)**

improvements, installing a kiosk at the main entrance to the park and redesigning the entrance to the park from parking facilities.

The City has received grant funding to implement certain aspects of this project. Planning and engineering are complete for this project and the City is currently in the Prince George's County permitting process, and anticipates this project going to construction within the next few months.

The project is consistent with the 2009 Maryland Planning Visions and the Prince George's County Park and Recreation Goals. The project will involve public participation in the planning and design of improvements. The project supports the City's commitment to resource conservation, land stewardship and the provision of high quality sustainable recreational/environmental resources.

***Lakecrest Tennis Court Improvements (D-G2):*** This project proposes to undertake improvements to two courts at the Lakecrest Tennis Courts. The courts are in poor condition and in need of resurfacing and minor repairs. Work to be undertaken includes new color coating and minor surface repairs as needed. The courts are widely used by the tennis community and have benefited from Program Open Space funding in the past.

The project is consistent with the 2009 Maryland Planning Visions and the Prince George's County Park and Recreation Goals. The project supports the City's commitment to resource conservation, land stewardship and the provision of high quality sustainable recreational/environmental resources.

***Playground Renovations, 2 Court Research Road (D-G3):*** The City proposes to renovate an existing playground that is located in the historic core of the community. The playground serves young children and will be designed to be ADA and CPSC compliant.

The existing playground has aging equipment that is no longer compliant with current safety guidelines. The City will collaborate with Greenbelt Homes, Inc. on the design and installation of the new playground, per an existing playground agreement.

The project is consistent with the 2009 Maryland Planning Visions and the Prince George's County Park and Recreation Goals. The project will involve public participation in the planning and design of improvements. The project supports the City's commitment to resource conservation, land stewardship and the provision of high quality sustainable recreational/environmental resources.

***Greenbelt Parkland Acquisition (A-G1):*** This project proposes the acquisition of unspecified acres of undeveloped land for use as passive and/or active parkland. While the City is not able to identify a specific parcel of land for acquisition at this time, by

**PROGRAM OPEN SPACE  
FY 2020 ANNUAL PROGRAM**

**Justification & Narrative Description of Projects (continued)**

including this project in its annual program it will be in a better position to react if a parcel of land becomes available that the City has identified as having open space/recreation value. This project is consistent with both the City's goal to protect open space as well as the State's 2009 Planning Visions that advocate environmental protection, resource conservation and local stewardship efforts.

**CITY OF GREENBELT  
PROGRAM OPEN SPACE  
ANNUAL PROGRAM – RESERVE FUNDS  
FISCAL YEAR 2020**

**Development Reserve Funds<sup>1</sup>:**

<b><u>Fiscal Year</u></b>	<b><u>Amount</u></b>
Prior Year Funding	\$42,496.66 <sup>2</sup>
FY 2008	\$27,689.30
FY 2018	\$126,131.87
FY 2019	\$109,652.76
FY 2020	\$99,270.46

**Acquisition Reserve Funds<sup>3</sup>:**

<b><u>Fiscal Year</u></b>	<b><u>Amount</u></b>
FY 2014	\$62,948.58
FY 2019	\$109,652.76
FY 2020	\$99,270.47

**TOTAL = \$677,112.86**

---

<sup>1</sup> Development monies can be used towards acquisition projects

<sup>2</sup> Monies reverted from Springhill Lake Recreation Center Expansion project

<sup>3</sup> M-NCPPC approved 100 percent of FY 2016, FY 2017 & FY 2018 allocations to be used towards development projects.

***ACQUISITION PROJECTS***

**PROJECT  
ID**

**PROJECT NAME, PROJECT DESCRIPTION**

A-G1

*Greenbelt Parkland Acquisition* – This project proposes the acquisition of undeveloped land within the City to provide increased recreational opportunities and/or for conservation purposes. A specific parcel has not been identified at this time, but the City wants to position itself to be in a financial position to acquire land for open space purposes as the opportunity arises. The project supports the following 2009 State planning visions: Quality of Life and Sustainability, Environmental Protection, Resource Conservation and Stewardship.

**DEVELOPMENT PROJECT**

<b>PROJECT ID</b>	<b>PROJECT NAME, PROJECT DESCRIPTION</b>
D-G1	<u><i>Buddy Attick Park Master Plan Improvements</i></u> - In 1992, the Greenbelt City Council adopted the Buddy Attick Park Master Plan. The 90+ acre park provides a wide variety of recreational opportunities to the City's residents, as well as visitors from around the Washington Metropolitan region. This project involves implementing certain recommendations of the Master Plan including the installation of public restrooms, parking lot improvements and a kiosk located at the main entrance to the park. The project is consistent with the 2009 State planning visions.
D-G2	<u><i>Lakecrest Tennis Court Improvements</i></u> : This project proposes to undertake improvements to two courts at the Lakecrest Tennis Courts. Work includes new color coating and minor surface repairs as needed. The project is consistent with the 2009 State Planning visions including but not limited to community design, public participation, and stewardship.
D-G3	<u><i>Playground Renovations, 2 Court Research Road</i></u> - Renovate an existing playground with modern play equipment and address safety and ADA accessibility concerns. The City proposes to renovate a playground that is located in the historic core of our community. The playground will be designed to be ADA and CPSC compliant. The existing playground has equipment that is 25 years old or older and is no longer compliant with current safety guidelines. This project is consistent with the 2009 State planning visions. The project supports quality of life and sustainability, public participation and community design.

# GREENBELT POLICE DEPARTMENT

## CRIME REPORT

OCTOBER 9, 2019

This activity report is provided as a public service to the community. It is intended to give an overview of the criminal activity within Greenbelt and is not a complete listing of all events and crime reported to the Greenbelt Police Department. The Weekly Activity Report is also available online at:

[www.greenbeltmd.gov/police](http://www.greenbeltmd.gov/police)

The Greenbelt Police Department and Crime Solvers are offering a reward of up to \$1,000 for information leading to the arrest and conviction of the person(s) responsible for any of the unsolved crimes reported in this report. Call **1-866-411-TIPS** to report any information you may have. You can remain anonymous.

**Additionally, you can anonymously report suspected drug activity in your neighborhood by calling our Drug Tip Line: 240-542-2145.**

### CENTER CITY

No incidents reported.

### FRANKLIN PARK/BELTWAY PLAZA/GREENBELT STATION/CAPITOL OFFICE PARK/METRO

10/05 5:48 A.M.	5900 block Cherrywood Lane. Robbery. The victim, a cab driver, advised that he picked up the suspect in Washington, D.C. and drove him to the 5900 block of Cherrywood Lane. The suspect was unable to pay the fare. Both the driver and suspect then engaged in a verbal altercation, at which point the suspect produced a knife and threatened the victim, also telling the victim that he had a gun. The suspect then fled the scene on foot. The suspect is described as a black male, 6' with a thin build, wearing a multicolored jacket and black pants.
--------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

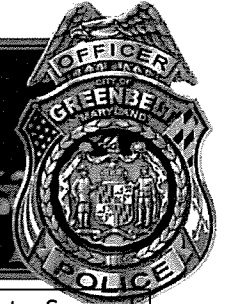

### GREENBELT EAST/GREENWAY SHOPPING CENTER

10/04 9:31 A.M.	7200 block Hanover Parkway. Theft. Unknown person(s) took a wallet from an unattended purse in an office suite.
10/07 3:45 P.M.	7800 block Hanover Parkway. Reckless endangerment. Officers responded to reports of the sound of gunshots. Several shell casings were found in the area and three vehicles suffered damage. There were no reports of injuries. A possible suspect seen fleeing the area is described as a black male in his twenties, dressed in all black, no further.

**A NATIONALLY ACCREDITED LAW ENFORCEMENT AGENCY**

# GREENBELT POLICE DEPARTMENT

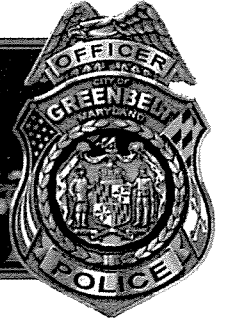

10/07	7800 block Mandan Road. Officers responded to reports of the sound of gunshots. Several shell casings were found in the area and three vehicles suffered damage. There were no reports of injuries. There is no suspect information at this time.
8:43 P.M.	

## Automotive Crime - City Wide

10/04	5800 block Cherrywood Lane. Vandalism to vehicle. Unknown person(s) used unknown means to shatter the front windshield of a vehicle.
10/04	6000 block Greenbelt Road. Theft from auto. Two tags, Maryland 6DK5453, were taken from a vehicle.
10/05	7500 block Mandan Road. Theft from auto. Unknown person(s) broke out the front passenger window of a vehicle and took a cell phone.
10/05	7800 block Mandan Road. Vandalism to auto. Unknown person(s) broke out the front passenger window of a vehicle.
10/09	6100 block Breezewood Drive. Vandalism to vehicle. Unknown person(s) possibly used a BB type gun to break several windows on a vehicle.
10/09	Recovered stolen auto. A 2018 Chevrolet Malibu 4-door, reported stolen August 14 <sup>th</sup> from the 9300 block of Edmonston Road, was recovered this date by the Prince George's County Police Department in the 4100 block of Suitland Road, Forestville, MD. No arrests were made.

**A NATIONALLY ACCREDITED LAW ENFORCEMENT AGENCY**
