The Honorable Todd Turner, Chair
Prince George's County Council
County Administration Building
Upper Marlboro, Maryland 20772

Dear Council Chair Turner:

At its Regular Meeting on October 28, the Greenbelt City Council discussed CB-46-2019. The City appreciates the County's efforts to update and revise the Animal Control Ordinance. Below are the City's comments on this legislation.

The Council applauds the inclusion of language regarding a "potentially dangerous animal" in CB 46 as any animal could be menacing or act in an unsafe manner. We recommend the removal of breed specific language (i.e., pit bull terrier) from the County Code in order to focus on an animal's dangerous behavior rather than their breed.

Thank you for your consideration of the City's position on this legislation.

Sincerely,

Emmett V. Jordan
Mayor

Chuck Davis

Bureau of Engraving and Printing

Dear Mr. Chuck Davis,

In follow-up to the October 29, 2019 email from City Manager Nicole Ard, please be advised that the Greenbelt City Council voted 6-1 to oppose the relocation of a Bureau of Engraving and Printing facility from the District of Columbia to the United States Department of Agriculture (USDA) Beltsville Agricultural and Research Center (BARC).

Council recognizes that BARC and BEP representatives have expressed willingness to meet with Council on November 25, 2019 during the regular City Council meeting. However, the meeting will only address the NEPA process and the public comment opportunities. Several councilmembers want to better understand the BEP plan as well as the planned facility's impact on the environment, quality of life, and BARC resources. Council also seeks to better understand BARC's existing and future resource needs, particularly funding for facilities, research, addressing climate change, and promoting sustainable agriculture.

The City is preparing a list of public comments and questions shared by the public during the October 28, 2019 Council meeting. This will be forwarded as soon as it is available. While meeting schedules are confirmed, if you have questions or need additional information, please contact Ms. Nicole Ard, City Manager or Mr. David Moran, Assistant City Manager. Ms. Ard and Mr. Moran can be reached at 301-474-8000.

Sincerely,

Council electronic signatures
