Please read and sign: I authorize Greenbelt Animal Control to contact all references, landlords, and veterinarians to confirm details needed prior to adopting. I understand that false statements by me may lead to the rejection to adopt. Many factors determine which applicant will be matched with a particular pet. If you are not able to adopt a pet today, it does not mean that you are not considered a good pet owner or that your home is not acceptable. Our goal is to place all animals into homes that will best suit their individual needs. Please ask for clarification if you have any questions.
