

**PRAB Report 10-3  
October 21, 2010**

**PARK AND RECREATION ADVISORY BOARD  
REPORT TO CITY COUNCIL**

**SUBJECT:** **Proposed Volunteer Background Checks CAR # 25-2009**

**DISCUSSION:** PRAB reviewed the proposed Volunteer Background Check Policy CAR #25-2009

Joe McNeal, acting co-director of Recreation outlined the proposed Volunteer Background Check Policy at the regular PRAB Meeting on 10-21-2010

If approved, Staff will add appropriate language to the Contribution Group Applications

PRAB had some question regarding care and control. Example: Carpool Volunteers would they need to submit to a background check? Many members of PRAB are already part of current volunteer background checks and see this as an appropriate requirement with no reservations on their parts.

**RECOMMENDATION:**

PRAB recommends City Council adopt the staff proposal for requiring Volunteer Background Checks
