CAMP MISSION STATEMENT

To provide the ideal atmosphere and a unique opportunity for campers to have fun and learn through a variety of enriching programs that will develop the social skills, fitness, independence, self-worth, and confidence of each camper, all while fostering lasting friendships.

SUMMER FUN IN GREENBELT

We're excited to welcome back our camp families onsite this summer! We will be offering our traditional camp programs on weekday mornings, and implementing safety protocols to ensure a safe space for participants and staff. We will offer camps for youth, ages 3½ – 17 years. Many camp activities will take place outdoors, following CDC guidance on face coverings and social distancing. We will also offer a camp option for families seeking to participate at home. Our Camp Guide includes details for each camp offered this summer.

In addition to our morning camp programs, Greenbelt Recreation will be offering a variety of recreation classes for youth on weekday afternoons. Please see page 13 to preview a few of our visual arts classes. Our Summer 2021 Activity Guide will be available online on Friday, May 7. Please visit the Greenbelt Virtual Recreation Center at www.greenbeltmd.gov/recreation to access the Summer 2021 Activity Guide and learn more about the classes offered this summer. Classes will be offered for dance, arts, and sports enthusiasts. Class registration will begin on May 17 for Greenbelt residents and May 24 for non-residents.

Please look over the Camp Guide, as well as the Summer 2021 Activity Guide, and considering joining us this summer. We can't wait to welcome you to our camps and classes! Please call 301-397-2200 or 301-397-2208 for more information.

One day campers might complete team building exercises, compete in a traditional YOGO sport, and create a beautiful friendship bracelet, while the next day they help pass on YOGO folklore—beware of the amongalong—learn during a nature hike, and complete “the Great Escape.” Each day is packed with plenty of opportunities to explore, engage, and enjoy. Weather permitting, we will begin each camp day outdoors and hold our first activity periods outside. We will move indoors later in the morning, as the temperature rises. The time for our transition to indoors will vary with the weather.

Note: Although we will prioritize outdoor time, parents should be aware that campers will be inside for at least a portion of the camp morning, and potentially all of it, depending on the weather. If you are not comfortable with your child participating in indoor group activities, please enroll in the Camp At Home option instead.

BONUS: Families enrolled in Camp At The Community Center will also receive the Camp At Home daily downloads. That way, if your campers have to miss a morning of attending in person, they can still participate in camp!

CAMP ENCORE

AGES 13-17

Join Director Kate Magill Robinson, and the Encore Artistic Team, as we spend Camp Encore 2021 exploring two of Shakespeare's most beloved comedies! Campers will meet on-line to rehearse and record the camp shows over Zoom, with the option of attending camp in person three afternoons per week.

For filming their scenes, campers who live locally will be provided costumes and props. The completed video productions will be shared with friends and family after the end of the camp session.

The optional in-person meetings will focus on fun theatre-related activities and improvisation. Weather permitting, in-person sessions will take place outdoors.

SESSION 1: MUCH ADO ABOUT NOTHING

There are few couples in literature who are more beloved than Beatrice and Benedick from Shakespeare's *Much Ado About Nothing*. On their thorny path to the altar, this power couple runs into detours involving an evil villain, hapless lovers, wacky servants, and a blundering town constable. When gossip and slander stain the reputation of young Hero, it takes the whole town banding together to bring the truth to light. It's a classical comedy, so everything ends well!

SESSION 2: TWELFTH NIGHT

In Shakespeare's *Twelfth Night*, Viola of Messina is cast upon the shore of Illyria, believing she is the sole survivor of a shipwreck. For her safety, she disguises herself as a young man and finds a job working for the Duke Orsino, carrying epistles of love to the duchess Olivia. Viola's disguise boomerangs when she falls in love with Orsino – and Olivia falls in loves with the young man Viola is pretending to be. More mix-ups occur when Viola's twin brother, Sebastian, turns up. Mistaken identities abound, but all will be happily resolved in the end!

FEES

R: \$343 NR: \$388 (includes \$45 refundable Tech Bag* deposit)

*A Tech Bag containing costumes and props will be loaned to campers for filming their scenes at home. The deposit will be refunded after the Tech Bag is returned with contents intact.

NOTES

During Zoom Days, campers will need:

- Access to a device (laptop or tablet) and WiFi.
- A relatively quiet space where they can both move freely and speak up. (Campers cannot record scenes for the show in a car or a noisy setting.)

Campers will record most scenes for our shows at home over Zoom, but depending on the level of on-site participation, some dances and combat scenes may be recorded in person.

Campers who do not wish to attend the in-person sessions will be provided alternative at-home projects.

Zoom sessions may be substituted for in-person sessions if the weather precludes meeting outdoors.

IMPORTANT NOTE: In the event of a communicable disease outbreak or severe weather, all in-person meetings may be suspended or cancelled, and camp will proceed via Zoom.

CAMP COVID PROTOCOLS

These protocols reflect public health orders in effect as of June 10, 2021. Please note that the protocols have been updated since the publication of the Camp Guide, due to improved COVID-19 incident rates and modifications to public health orders.

For All Camps:

- Temperature checks will be conducted when campers arrive at camp and at other times if needed. The daily symptom screening will be conducted at home by parents.
- Campers and staffers will be required to wear masks indoors. Campers must be masked upon arrival at the outdoor check-in station in the morning. Campers will be allowed to take their masks off, at the direction of the camp staff, for many outdoor activities. Staffers likewise will be unmasked much of the time while outdoors.
- Physical distancing of at least six feet will be the norm, indoors and outdoors, in all situations involving sustained interaction. There may be instances, especially during outdoor games, when participants may momentarily pass closer than six feet while in motion. Staffers will sometimes need to come into closer contact with campers in order to administer first aid or to render other assistance, in which case masks will be worn.
- Camper groups will be limited in size to fifteen persons, including campers and staffers.
- Camper groups will be podded, so that groups don't intermix.
- Indoor air quality will be enhanced through a combination of HEPA air cleaners and increased fresh air intake, via HVAC systems or open windows.
- Indoors, each camp group will use only one classroom each day, rather than rotating between rooms. The rooms will be sanitized each day.
- For art projects and other activities involving supplies, campers will be provided individual kits.
- Camp counselors will be assigned to one camp group throughout the session.
- We'll plan to take a mid-morning, super-distanced snack break outdoors.

PRACTICING THE 3 Rs

Greenbelt Recreation is committed to ensuring a safe, nurturing, and fun environment for all its campers. Behavior policies are enforced in a fair and consistent manner. To this end, all campers are expected to:

- Take responsibility for their own behavior
- Be courteous
- Be respectful of others and their property
- Cooperate with others
- Speak appropriately
- Seek alternatives to verbal and physical conflicts
- Exhibit self-control

At Greenbelt camps we practice the 3 Rs: Respectful, Responsible and Ready.

Campers should be respectful of others and the equipment, responsible for their actions and their belongings, and ready to participate and listen to instructors. The 3 Rs is an easy way for campers to remember the Recreation Department's expectations. Individuals may lose the opportunity to participate in programs and services if these expectations are not met.

City of Greenbelt Program Registration and Facility Reservations**

Coronavirus disease 2019 (COVID-19), has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious as is believed to spread mainly from person-to-person contact.

The City of Greenbelt has created new protocols and put in place preventative measures to reduce the spread of COVID-19; however, the City cannot guarantee that you will not become infected with COVID-19. Further, attending any program may increase your risk of contracting COVID-19, and may increase the risk of transmitting COVID-19 to others.

By signing this agreement I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I, my minor child, or members of my group or organization, may be exposed to or infected by COVID-19 by participating in an event, program, activity, reservation or rental taking place at a City of Greenbelt recreation facility or park, and that such exposure or infection may result in personal injury, illness, permanent disability, or death. I understand that the risk of becoming exposed to or infected by COVID-19 at a City of Greenbelt recreation facility or park may result from the actions, omissions, or negligence of myself and others, including, but not limited to, City employees, volunteers, and other participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to myself, my child, or members of my group or organization, including, but not limited to, personal injury, disability, or death, illness, damage, loss, claim, liability, or expense, of any kind, that they or I may experience or incur in connection with participation in any event, program, activity, reservation or rental taking place at a City Recreation and Parks facility. I hereby release, covenant not to sue, discharge, and hold harmless the City of Greenbelt, its employees, agents, and representatives, of and from any claims related to COVID-19, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I further agree to indemnify and hold harmless the City of Greenbelt and its employees, agents, and representatives from any claim that may arise from or in connection with my or members of my group or organization's participation in any program taking place at a City of Greenbelt Recreation and Parks facility, including claims related to COVID-19.

I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the City, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any City of Greenbelt Recreation and Parks program.

I agree to comply with any participation guidelines, such as the use of face coverings and physical distancing, to enhance the health and safety of all participants.
