### Friday Night Futsal

Fridays 7 - 9 pm  
Springhill Lake Recreation Center

What is futsal? Futsal is the FIFA-recognized form of five-a-side game (4v4 plus a goalie), indoor soccer. It is played between two teams who each have five players on the pitch at any one time, with rolling substitutes and a smaller ball (size 3-4) than soccer that is harder and less bouncy. Futsal is played with touchline boundaries. There are no walls in play. This is the game that outdoor soccer players around the globe play when they are indoors to refine and maintain their control skills and touch. Every Friday we will host a drop-in program for families at Springhill Lake Recreation Center from 7 - 9 pm.
