Grants Planning

Janet reviewed issue of missing grant reports from past years. There are 30 reports missing from the 6 schools. Proposed idea of them having to include past reports in current application or starting with a clean slate. Discussed how to account for City grant dollars that were issued to the schools. ACE will send letters to school about outstanding grant reports and request accounting for the grant dollars. Do this separate from grant submission. GES has 27 of the 30 outstanding reports. Janet will send out with a due date of Oct 14th.

Grant letters will be sent Oct 17, 2022 with Due date of November 7, 2022.
