Greenbelt Recreation Camp Mission

Practicing the 3 Rs

Greenbelt Recreation is committed to ensuring a safe, nurturing, and fun environment for all its campers. Behavior policies are enforced in a fair and consistent manner. To this end, all campers are expected to:

- Take responsibility for their own behavior
- Be courteous
- Be respectful of others and their property
- Cooperate with others
- Speak appropriately
- Seek alternatives to verbal and physical conflicts
- Exhibit self-control

At Greenbelt camps we practice the **3 Rs: Respectful, Responsible and Ready**. Campers should be **respectful** of others and the equipment, **responsible** for their actions and their belongings, and **ready** to participate and listen to instructors. The 3 Rs is an easy way for campers to remember the Recreation Department's expectations. Individuals may lose the opportunity to participate in programs and services if these expectations are not met.

Send a Kid to Camp Fund

Contributions to the Send a Kid to Camp campaign directly benefit families that would not otherwise be able to afford to provide their children with the opportunity to attend camp. Our Kids to Camp program is an amazing opportunity for donors like you to have an impact on a child's life. Please consider contributing to the Kids to Camp fund and help a family with financial challenges send their child to camp this summer.

Financial Assistance Program

Financial assistance is available to qualified Greenbelt residents. An application and supporting documentation are required. Prior to registration, please call (301) 397-2200 or email: csoter@greenbeltmd.gov for additional information.

Inclusion Support Services

Inclusion Services Available

What is Inclusion? Inclusion is people with and without disabilities participating in recreation together!

Greenbelt Recreation offers full and active participation for individuals with disabilities. We provide individuals with reasonable accommodations that will enhance their recreation experience. We facilitate social, physical, educational, and cultural development for individuals of differing abilities.

We also share information on Therapeutic Recreation (TR) Camps offered through PG Parks. The TR Camps offer smaller staff to camper ratios and are sometimes the best fit for a camper in need of specialized support.

How do I know if my child would benefit from inclusion support?

If your child has a 504 or IEP through their school, they may benefit from inclusion support. More information about your child's school support plan will help us provide the appropriate inclusion support plan at camp. Please consider sharing the 504/IEP information with us to prepare our camps to best serve your child.

Sometimes a child struggles due to a challenging life event. If we are made aware that a child is challenged due to a life event, we can work with our camp families on the best way to support the child during camp.

All information shared with Greenbelt Recreation is confidential.

If your child would benefit from inclusion services, please contact Amber Hall, ahall@greenbeltmd.gov or (240) 542-2056. We request you connect with us at least two weeks prior to the start of camp.
